

GREAT BAY DISCOVERY CENTER
PRESENTS

Jr. BAYVENTURES 2019

SUMMER PROGRAM SCHEDULE FOR KIDS ENTERING 1ST-4TH GRADE

**Jr. Bayventure programs are held on Fridays from 9:30-12:00.
Sign up for one or the super summer series of six.**

July 12th Wonders at the Waterfront

Join us to discover the thrill of splashing around at mid-tide in the Great Bay. Catch silversides or mummichogs in your net or baby horseshoe crabs or mudsnails in a seine. Make a flounder beanbag to take home.

August 2nd Mystery on Great Bay

Join us for a morning of mystery indoor and outdoor games and activities. If you like surprises, or even if you don't, you will be sure to have a super day near Great Bay! Make a mystery craft to take home.

JULY 19th

Nuts About Nature

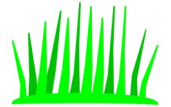

How observant are you of nature? Let's take a peek at the little things that might pass you by and discover how to awaken all of your senses in the great outdoors. Make a gingerbread fort to take home.

AUGUST 9th I Want to Be a Lobsterman

People who lobster, work on research vessels or patrol the waters all need to know how to get around Great Bay. What does it take to pilot the Bay? We will discover the tools of the trade, learn basic chart skills and build our own model boats to float.

July 26th Eelgrass, Eelgrass

Everywhere

Did you know eelgrass beds are the most abundant habitat type in Great Bay? This flowering plant provides an ideal place for many animals to hide. We'll make a pipefish craft to take home and put on an "eelgrass theater" presentation at the end of the program for parents to watch.

August 16th The Great Bay Escape

Join us for a morning of puzzles and mind teasers. Have you been to an escape room? Work together to escape from our Great Bay Special Collections Room by learning about the Bounty of the Bay. Create your own minute-to-win-it game to take home and challenge your family.

Jr. Bayventures programs are for children entering grades 1st-4th in the fall of 2019. Call (603) 778-0015 or email beth.heckman@wildlife.nh.gov to register. Each Bayventure program is \$15 for Great Bay Stewards members or \$20 per program for non-members. The camper to staff ratio is a maximum of 6:1.

Make checks payable to **GREAT BAY STEWARDS** and send to the address below marked ATTN: Beth.
