

Once Upon a Summer Estuary 2019

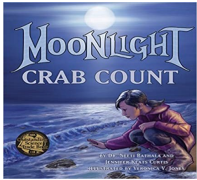

For Ages 2-5

10:30-11:30 on Thursdays in July and August. Children, with an adult, are invited to come listen to a story, play games and make a craft.

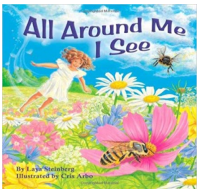

Many activities will be outside so please come dressed for the weather!

\$3 per child or \$5 per family. Pre-registration is required.

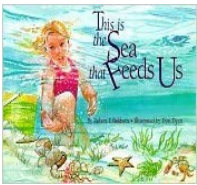

Please call 778-0015 and ask for Jay or Beth or email Jay.Sullivan@wildlife.nh.gov.

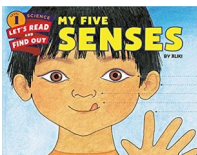

Thurs. July 11th. "Moonlight Crab Count" by Dr. Neeti Bathala
Have you ever held a horseshoe crab? Do you know why they visit our shore each spring? Join us as we visit the shore of Great Bay and learn about these amazing animals.

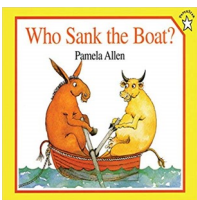

Thurs. July 18th "All Around Me I See" by Laya Steinberg
What are some of your favorite things to find or see on a walk? Join us as we play some games and hone our ability to see what's right

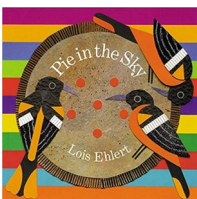

Thurs. July 25th "This is the Sea that Feeds Us" by Robert F. Baldwin
What's your favorite thing to eat? Join us for some good snacks as we learn about what the animals in Great Bay like to eat!

Thurs. August 1st "My Five Senses" by Aliki
Use your senses as you play some games and learn about how the animals around Great Bay use theirs!

Thurs. August 8th "Who Sank the Boat?" by Pamela Allen
Have you ever heard of a Gundalow? Learn about these historic boats and their important job of transporting cargo all around the seacoast. Try your hand at building a boat and loading cargo of your own!

Thurs. August 15th "Pie in the Sky" by Lois Elhert
Join us as we learn about the food that trees make to feed us and lots of other animals. We'll go on a walk to find some and enjoy some taste testing!
