

# GREAT BAY DISCOVERY CENTER PRESENTS 2019 WINTER BAYVENTURE PROGRAM SCHEDULE For kids in grades 1st-6th

## FEBRUARY VACATION DAYS

### Tuesday, February 26th ANIMAL AUTOGRAPHS

Join us as we look for animals and their "autographs" in different habitats around the Discovery Center...on snowshoes! Over the last couple of years we have identified fisher tracks in the woods and otter tracks on the salt marsh. Take part in winter activities and games and make a craft to take home.

### Wednesday, February 27th A TASTE OF WINTER

How did Native Americans survive the winter? What did they eat? How did they dress? What did they live in and what did they do during the long winter months? We will spend the morning at our Abenaki campsite making food and crafts like the "People of the Dawn" did along the shores of Great Bay 400 years ago.

## TEACHER WORKSHOP DAY

### Tuesday, March 12th SYRUP ON SNOW

The ice is melting and the sap has started to flow! Join us for a day of maple sugaring, and experience how people through the ages have tapped trees. We will see and touch real tree tapping tools used by Native Americans, Colonists and people today! Try sap straight from the tree, participate in our maple syrup taste test on pancakes for lunch, and make a craft to take home.

Each Bayventure program runs from 10:00am—2:00pm
